

We can help with these and many other questions you may have.

Usually we make no charge for an initial consultation at which we can assess how we can help you and if so what our charges are likely to be and whether you qualify for **Legal Aid**. As **Legal Aid Franchise Holders** the quality of our service has been approved by the Legal Services Commission.

We can also offer Conditional Fee Agreements commonly known as **NO WIN NO FEE** on certain cases, and we would be happy to explain the principle to you. It may also be possible to **insure** against paying costs.

We are members of **The Law Society Personal Injury Panel** and **The Law Society Family Panel , Resolution** (formerly known as Solicitors Family Law Association)and members of **The Society for Trust and Estate Practitioners**, having been recognised as specialists in these areas of law.

We offer a fast, friendly, efficient and totally confidential service.

**Whatever Your Needs It Will
Pay You To Consult Us Sooner
Rather Than Later.**

Established in **1795**, we've adapted to changing times and provide a service which recognises that solicitor's clients demand not only efficiency and to be kept constantly informed but also friendly and approachable treatment.

Wrigley Claydon try to combine all these attributes and, whilst using the very best of **modern technology**, remember that our clients are **sensitive people**, like us, often facing the most critical decisions of their private or business life.

With this in mind it is the philosophy of the firm to offer a **warm welcome** and a sympathetic and understanding service, as well as good advice and efficiency.

We also see it as our task not only to solve your problems but, wherever possible, prevent them arising in the first place by providing **sound and constructive advice** on a regular basis, throughout.
